SUN ANGEL

Title: Sun Angel Medium: Stainless Steel Dimensions: 180 mm x 700 mm x 15 mm Description: This fantastic alien creature has been captured flying around in the unbelievably hot and hostile atmosphere of a distant sun in a recently discovered quadrant of the sky. This delicate unknown species is likened to the equivalent of a butterfly on earth except this one's wings appear to be made from molten metals and very hot gasses. This piece comprises of hand cut, coloured, and etched stainless steel pieces with centre stainless steel detail, mounted on a mild steel hidden framework.
